

GATFXCCA Meeting Minutes Update 9/24/2017

Participants--not listed (many not on the call--minutes from email follow up for the significant # of non-participants)

Thank you to everyone who participated last night in the call.

Updates since we finished

Newsletter published at www.gatfxcca.org; membership notified by email; social media post about it with link; Email sent to all Region Secretaries--responses are already coming in

Asked Region Secretaries to share our link/newsletter/etc. with their region members

Will Wood shared the draft of the annual survey with me--I will share with all of you shortly

Things to do this week

PLEASE help Coach Christie with making sure the email/contacts list is updated--I will share this later today, too, if you do not have access to it.

Go over survey draft--make suggestions to exclude/include/edit

We will be adding email addresses specifically for GATFXCCA (coacheseducation@gatfxcca.org, etc.) this week. I will get those who are chairing/co-chairing access as soon as it is set up, and you can redirect it to whatever email you wish to receive. I think we should all use those emails from now on for any official correspondence that goes out from us to anyone.

JAY RUSSELL (GHSA) LOVES THE NEWSLETTER AND WHERE WE ARE GOING! I bcc'ed him and a few others who are outside of our circle, and it appears our momentum is increasing with respect from those.

Have a great week.
